## BIOGRAPHY

---

**Client Name** is a challenge-driven professional, who brings more than 20 years of proven experience within the security services field. She specializes in project management and implementation, customer acquisition and transitions, contract and compliance administration, and operations and shared services oversight.

Her expertise and strong work ethic have allowed her to rise through the ranks and build a reputable career. Starting from an administrative assistant to a VP role, Client has proven her ability to get out of her comfort zone, adapt to a constantly changing world, and build relationships. She also possesses an impressive work history and achievements that include implementing and managing business operating models focused on maximizing service delivery, developing and mentoring management personnel, and enabling operating tools and methodologies.

Client is the current vice president of talent acquisition at Metro One LPSG. Prior to this, she assumed the role of a regional director at Allied Universal where she drove a safety and compliance culture by leading regional trainers across California, Hawaii, Idaho, Montana, Northern Oregon, Washington, and Wyoming. She is known for her capability to create strategies that foster productive and collaborative working relationships within the organization. Her servant leadership approach emphasizes the importance of team success. Hence, she has demonstrated this dedication in all her undertakings by playing an integral role in pioneering process improvement initiatives and leading competent teams.

A PMP Certified, Client holds multiple professional certifications including Lean Six Sigma Greenbelt Certification from IASSC, Certificate in Business Leadership Management from eCornell, and Certificate in Human Resource Management from Chapman University.
